## Main ESL Lesson Activities

### Vocabulary Activity: Advice Cards

Hand out cards with various dilemmas written on them, such as "I want to travel but don't know where to go," or "I have a problem with my roommate." In pairs, students discuss the situations and decide what advice they would give. Encourage them to incorporate the vocabulary from the lesson.

# **Roleplay: Agony Aunt/Uncle**

Divide the class into pairs or small groups. Each student takes turns being an 'Agony Aunt' or 'Agony Uncle', providing advice for different problems. This activity fosters interactive discussions and allows students to practice giving counsel in various scenarios.
