## ESL Warm-up Activity

To kick off the lesson, start with a vocabulary charades game. Write down key terms from the "I Am Malala" lesson on separate pieces of paper and place them in a bowl or hat. Ask students to pick a term and act it out without speaking while their classmates guess the word. This fun and engaging activity will not only familiarize the students with important vocabulary but also energize them for the upcoming lesson. It sets a lively tone for discussing Malala's story and the related themes of education, activism, and resilience.

## Main ESL Lesson Activities

### Vocabulary Activity: Word Association

Guide students to form pairs or small groups. Provide them with key terms from the lesson. Ask each group to create a mind map associating words, ideas, and concepts related to the given term. Encourage them to discuss and compare their mind maps with other groups, fostering collaboration and expanding their understanding of the vocabulary in context.

# **Listening Exercise: Malala's Speech Analysis**

Play an excerpt of one of Malala Yousafzai's speeches related to education and female empowerment. After listening, initiate a class discussion on the key message conveyed in the speech. In pairs, have students summarize the speech and share their thoughts with the class. This activity enhances listening skills while encouraging critical thinking and oral communication.

## **Roleplay Activity: Advocacy Skits**

Divide the class into small groups and provide each group with a scenario related to advocating for educational rights or social change. Students will create short skits demonstrating advocacy for these causes. Encourage them to use vocabulary from the lesson plan in their skits, promoting language practice within context while also developing creativity and empathy.

## **Reading & Writing Task: Letter to Malala**

Assign students to write a letter expressing admiration for Malala Yousafzai's courage and explaining how her story has inspired them personally or academically. This exercise strengthens reading comprehension as students reflect on Malala's impact while honing their writing skills through heartfelt expression.

## **ESL Homework Assignment**

Encourage students to research and find a news article or video related to education activism or the challenges faced by students in accessing education. They should summarize the content, identify key vocabulary used, and share their reflections in the next class. This task reinforces the lesson's themes and encourages independent learning while honing language skills in reading, comprehension, and articulation of personal opinions.
