Each group will have a few minutes to come up with reasons to support their stance on Brexit. Encourage them to use vocabulary related to politics, economics, and international relations. Main ESL Lesson Activities

Vocabulary Activity: Brexit Bingo

To reinforce Brexit-related vocabulary, create bingo cards with terms such as "Brexit," "EU," "Referendum," "Customs Union," and "Hard Border." As you call out definitions or use the terms in sentences, students mark the corresponding word on their cards. The first to complete a row or column shouts "Brexit!" to win.

Listening Exercise: News Analysis

Play a news segment discussing Brexit and provide comprehension questions. Divide the class into pairs to discuss their answers before sharing with the whole group. This activity enhances listening skills and encourages collaborative learning.

Roleplay: Negotiating Brexit Terms

Assign students roles such as EU representatives, UK government officials, and business leaders. Each group must negotiate terms related to trade, immigration, and regulations post-Brexit. This hands-on exercise promotes critical thinking and language application in real-world scenarios.

Reading and Writing: Opinion Pieces

Provide opinion articles on Brexit from various sources. In pairs, students read and summarize the articles, then present their understanding to the class. They can also write their own opinion pieces on Brexit, fostering reading comprehension and writing skills while expressing personal viewpoints.

ESL Homework Assignment

For homework, students can choose one of the following tasks:

1. Write a short essay discussing the potential impact of Brexit on global trade and economy.
